Definitely a different crowd now in most clubs. I miss the clean, rideable bikes though. No giant ape hangers, 300 width tires and \$10,000 paint jobs back then.

Rideable bikes, yes.

I snork at the guys with the tall handlebars (ape hangers?) just as much as I snork at the young man-fashionistas with their pants hanging off their flaccid members.

Utterly Ridiculous.
Sublimely Mockable.
